## Explanation of Post Retirement Employment Restrictions

### **RE-EMPLOYMENT WITHIN ONE YEAR**

If you are employed by a participating employer **within 60 days** of your retirement date with Utah Retirement Systems (URS), your retirement benefit will be canceled, you will be returned to active status, and earn additional service credit, if you are eligible for service credit accrual.

You can be employed with a participating employer **after 60 days** but **within one year from your retirement date** with URS, subject to the following:

You cannot receive any employer provided benefits including, but not limited to: *medical, dental, paid time off, annual leave, sick leave, other insurance benefits, excluding workers' compensation.*

Your salary is limited to the lesser of \$15,000 or half of your final average salary during a calendar year. If you exceed the earnings' limitation or receive benefits, your retirement allowance will be canceled.

When you terminate your post-retirement employment, the termination date will serve as your new retirement date for purposes of calculating your **Separation Requirement\*** under the post-retirement restrictions.

### **RE-EMPLOYMENT AFTER ONE YEAR**

If you are employed with a participating employer **after one year** from your retirement date with URS and meet the **Separation Requirement\***, you will elect to either:

- earn a salary and continue to receive the retirement benefit; or
- earn a salary and cancel the retirement benefit in order to earn additional service credit; if re-employed for at least 2 years, a separate benefit will be calculated based upon the new service and salary at the time of the second retirement. Your original retirement benefit and the new retirement benefit will be combined.

### **\*SEPARATION REQUIREMENT**

You must separate from employment (including part time and contract arrangements) with any participating employer for **one year** from your retirement date with URS. If you are re-employed **after 60 days** but **within one year from your retirement date**, the **Separation Requirement** will not be met until you complete **12 consecutive months** of separation from employment with all URS participating employers.
