Employee’s Full Name: _______________________________ Employee ID: _______________________________

Agency/Dept: _____________________________________________________________________________ Division: _____________________________________________________________________________

I understand that, as an employee subject to the Fair Labor Standards Act (FLSA), I may elect to receive overtime pay (paid out on the payday in the pay period in which it was earned) at one and one-half times my regular rate of pay or compensatory time off (accrues for use at a later date) at a rate of one and one-half hours for each hour worked in excess of one of the following FLSA work period thresholds (select one):

☐ 171 hours in a work period of 28 consecutive days (i.e. public safety officer or correctional officer)
☐ 86 hours in a work period of 14 consecutive days (i.e. public safety officer or correctional officer)
☐ 106 hours in a work period of 14 consecutive days (i.e. fire protection employee)
☐ Other DHRM approved schedule: __________________________________________________________________________________________

All leave and holiday time taken within the work period shall not be counted as hours worked when calculating overtime accrual. I understand that the employing agency reserves the right to make payment even though I may elect to receive compensatory time off for the overtime hours worked. Additionally, this agreement is subject to agency policy which may designate a particular election as an express condition of employment.

In view of the foregoing,

☐ I elect to accrue compensatory leave at a rate of one and one-half hours for each hour worked in excess of hours actually worked in the work period as indicated above. This election is subject to DHRM Rule R477-8-4, CFR Part 553 and my agency policy. I acknowledge that I am aware of and understand these rules, regulations and policies, which include the following conditions:

1. Use of accrued compensatory time requires prior approval of my supervisor, who may deny my request if my absence is disruptive to agency operation;

2. All compensatory leave hours accrued in excess of 80 will be paid down to 80 hours on the payday for the period in which it was earned.

OR

☐ I elect to accept monetary payment at a rate of one and one-half times my regular rate of pay for each hour worked in excess of the hours actually worked in the work period as indicated above. I realize that any overtime worked requires prior approval from my supervisor.

THIS AGREEMENT shall remain in effect until I cancel it and make a new election. I understand that such cancellation and new election will be effective according to my agency policy. If my agency doesn’t have a policy the election will become effective beginning the next possible pay period after the election is made.
